

OUR STORY

# A Woodworking Heritage Since the 1700s

Our roots go back generations, to a family of carpenters whose woodworking tradition dates to the 18th century. Long before there was a factory, our ancestors shaped local hardwoods by hand into tables, cabinets and chairs for the homes around them, each piece built to be used every day and handed down. That craft, and one simple belief, has been passed from generation to generation: **furniture should be honest, sturdy and warm.**

Today that family craft lives on in our modern furniture factory. Hand planes were joined by precision CNC machinery, and natural finishes by durable, low-maintenance laminates and sintered stone. But the heart of the craft never changed: careful hand sanding, a final inspection of every piece, and packing that protects it all the way to your door.

**COOLBAO** is the modern chapter of that story. We pair clean, contemporary lines with rich walnut tones and practical details, such as hidden storage, extendable tops and push-to-open drawers, so real family life feels a little easier and a lot more beautiful.

## 2. Refunds

Once your return is received and inspected, we will email you to confirm receipt and let you know whether the refund is approved. Approved refunds are issued through Amazon to your original payment method, usually within 2 business days of inspection; your bank may take a few more days to post it.

## 3. Late or Missing Refunds

First re-check your bank or card statement, then contact your card issuer, as posting can take a few days. If you still have not received it, email us at **hoserve@hotmail.com** with your order number and we will follow up with Amazon for you.

## 4. COOLBAO 1-Year Limited Warranty

Every COOLBAO product is warranted against defects in materials and workmanship under normal household use for **one (1) year from the date of delivery** to the original purchaser. If a covered defect appears, we will ship replacement parts free of charge or, if a part cannot fix it, arrange a replacement.

Not covered: normal wear and tear; damage from misuse, accidents, improper assembly or modification; commercial use; exceeding the stated weight capacity; damage from moisture, heat or prolonged direct sunlight.

## 5. Missing or Damaged Parts
