OUR DESIGN PROCESS

From Sketch to Your Home

Each COOLBAO piece starts as a pencil sketch. Our designers refine proportions in 3D, test real materials side by side, and only then build the first prototype, so the piece in your home looks right and lasts.

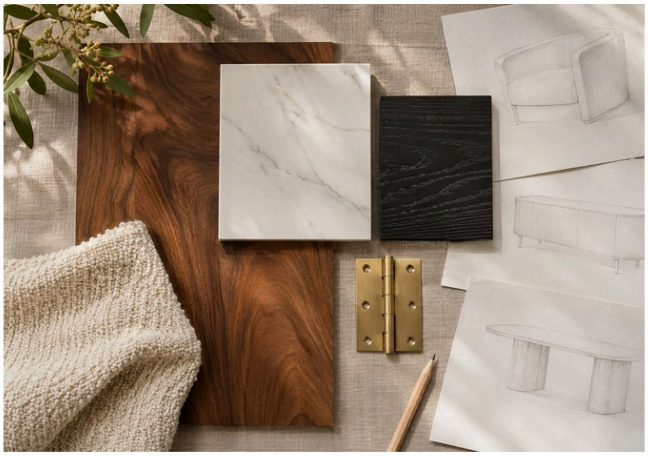

1 Sketch

Shapes are drawn and redrawn until they feel effortless.

2 Model in 3D

Every joint and dimension is checked digitally.

3 Choose Materials

Walnut tones, stone and hardware are matched by hand.

Warranty & Support

We stand behind every COOLBAO piece.

COOLBAO 1-Year Limited Warranty

COOLBAO furniture is warranted against defects in materials and workmanship under normal household use for one (1) year from the date of delivery to the original purchaser. If a covered defect appears, we will send replacement parts free of charge or, if a part can't fix it, arrange a replacement. Proof of purchase (your Amazon order number) is required.

Not covered: normal wear and tear; damage from misuse, accidents, improper assembly or modification; commercial use; exceeding the stated weight capacity; and damage from moisture, heat or prolonged direct sunlight.

Quick Fixes

1 Missing / Damaged Part?

Check all foam and box flaps first. Still missing? Email the part letter/number from the manual and a photo. We ship a free replacement.

2 Wobbly or Uneven?

Re-tighten every bolt and cam lock once the piece is upright on a flat floor. Adjust the leveling feet if included.

3 Holes Don't Line Up?

Keep all screws loose until every part is in place, then tighten them evenly. Check that panels aren't upside down.

4 Drawers or Doors Off?

Make sure slides are fully clicked in, then adjust the hinge or slide screws. Push-to-open: press near the center.

5 Scratch or Finish Mark?

Send a photo with your order number. We'll offer a touch-up solution or a replacement panel.

6 Assembly Questions?

Follow the step numbers in the manual. Two people make it easier. Stuck on a step? Email us and we'll walk you through it.
